*The best way to  
is predict the future  
to create it.  
- Peter Drucker*

Once upon a  
time there  
was a young  
boy named  
Keith.

Every girl in the village  
wanted to be his and every  
guy wanted to be him.

Every day, his relationship  
with Sebastian is being  
frowned upon.

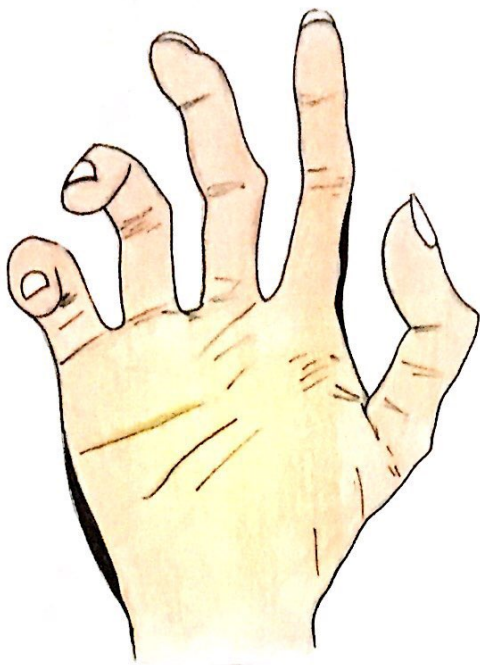

Then one day, a war erupted between Istanbul and Izreal. Every first born son of the family was obliged to join the war. Leaving was not an easy task for him. As he will be leaving Sebastian as well.

As the war continues, tears were shed, blood was everywhere and many lives were lost.

He held the  
pocket watch  
and clenched  
it to his chest.

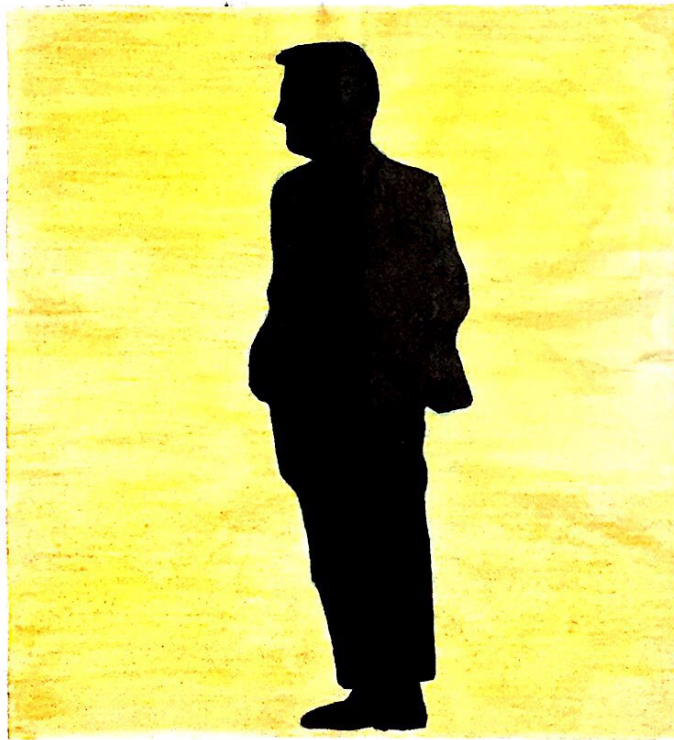

One day a sudden news came  
that the war has officially ended  
and everyone can 'go back' to their  
homes only to be taken down by the  
news, SEBASTIAN is DEAD,

Because of that, Keith began to  
lose himself

The trauma of the war and the fact that his partner is dead, weighed down on him. Going to Sebastian's grave, an old frail woman approached him and whispered... The lady then vanished.

Keith thought of her words deeply. A chance to go back or to the future. and there his decision was made.

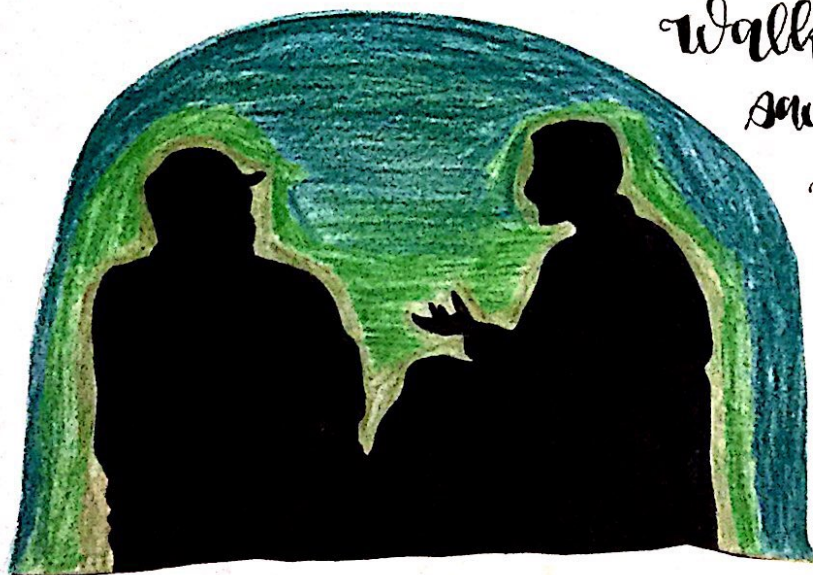

The world changed right in front of his eyes. A new environment, a new world. He was so full of joy. Then he saw the love of his life.

One day, Sebastian saw the watch.  
Because of that, he changed. He  
became irritable and always mad  
at Keith until the time he thought  
"Does the past Sebastian's grave still  
exist?" and there he went.

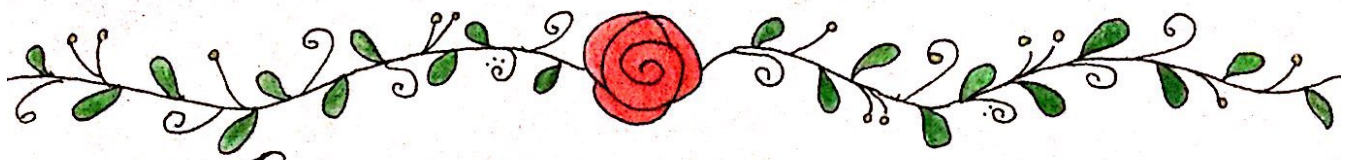

The old woman is back and  
said, "The faith hasn't changed."

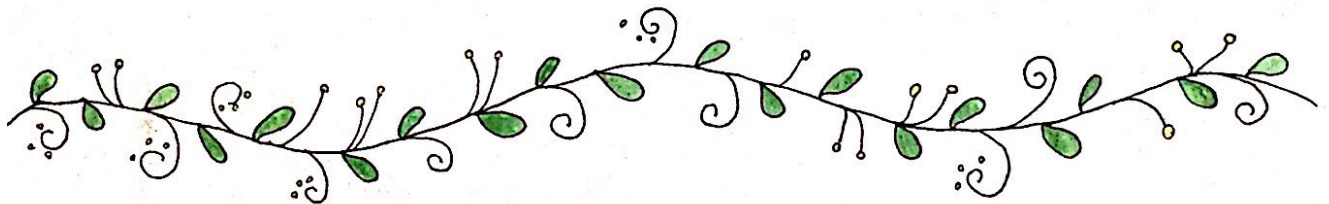

Walking home he  
saw Sebastian  
with a guy.  
Confusion,  
anger and  
sadness was  
all he felt.

Finally, Keith decided to confront him  
Sebastian said, "I watched Dennis  
Dirt so I decided I don't need a  
man to make me happy. Thank  
you and goodbye. He was  
devastated and he ran.  
He was hit by a truck. Leaving  
the watch broken as well as  
his heart.

Tears were shed,  
blood was everywhere  
and many lives were lost  
Keith kept on fighting,  
holding the watch that  
Sebastian gave him as a  
sign of their love for  
each other.
